**To:** The Mayor and Members of City Council  
**From:** Geoff Holman, Director of Public Works and Community Services  
**Subject:** Update to Niagara Regional Council – Canada Games Park  
**Date:** June 4<sup>th</sup>, 2020.

---

As directed by Council, City staff are actively participating in the ongoing negotiations of the outstanding Definitive Agreements for construction and future operation of Canada Games Park. Niagara Region staff are considering taking a more prominent role in the project delivery model so that they have better control over the project costs, given their commitment to backstop the project. The original model involved Canada Games Host Society having responsibility for the delivery of the project.

The purpose of this memo is to inform you that this matter is being discussed at a Special Meeting of Regional Council scheduled for this evening. The information provides an update on the status of negotiations that will set the framework for the completion of the Canada Games Park facility. The report is available at the link provided below starting at **page 14**:

Once the outstanding Definitive Agreements are finalized we will bring the documents to Thorold City Council for their consideration. If you have any questions please contact Manoj Dilwaria and/or myself at your convenience.
