By-law 54-2022 Area Specific Development Charges for Brock Business Park

This pamphlet summarizes the City of Thorold's by-laws with respect to development charges. The information contained herein is intended only as a guide.

The City of Thorold has two by-laws in effect which impose development charges against land to pay for increased capital costs required because of increased needs for services.

By-law No. 41-2024 applies to all lands within the boundaries of the City of Thorold and establishes when development charges are payable and the applicable rates.

By-law No. 54-2022 applies to lands located within the Brock District Business Park and establishes when an area specific development charge is payable in addition to the rates imposed by **By-law No. 41-2024**. **By-law No. 54-2022** establishes the applicable area specific development charges for the Brock District Business Park.

Applicants should review **By-laws 41-2024** and **54-2022** and consult with the Building Division to determine the applicable charges that may apply to specific development proposals.
