Transportation Master Plan

The City of Thorold has developed a draft **Transportation Master Plan (TMP)** that will shape how people and goods move around Thorold. The TMP will direct investment in Thorold's transportation infrastructure and identify future opportunities for better connectivity and mobility for all of Thorold.

We Need Your Input!

You are invited to our final Public Information Centre where we will present our draft networks and recommendations. Your input will help shape Thorold's transportation strategies and future networks for walking, cycling, road, and transit.

When: November 23, 2019

Where: Thorold Community Arenas

Meet the Project Team: Saturday, November 23, 1:00 pm to 4:00 pm

Members of the Project Team will be on hand to discuss your transportation questions, ideas and concerns.

Review the Material: November 18 to 30, 2019

Display boards and maps will be available for public review and comment on the project website at www.thoroldtalks.ca/transportation-master-plan.
