Joint Statement: City of Thorold and Mosque Aisha Reaffirm Collaboration, Compassion, and Respect

Today, Imam Asad Mahmood, President of Mosque Aisha and Mayor Terry Ugulini of the City of Thorold met for a positive, collaborative, and respectful discussion regarding the recent decisions about Lakeview Cemetery in the City of Thorold.

First and foremost, we extend our sincere apology to the Masud family, who were affected by the recent cemetery arrangements and the added burden this situation caused to an already grieving family.

Together, we remain committed to ongoing dialogue, guided by respect, compassion, and open communication as we work collaboratively to strengthen trust and serve our community.
